

Program

Saturday, December 7, 2019

Room 1 (Sansui Hall Large hall)

9:00–9:10 **Opening ceremony**

9:10–10:10 **34th JAIH congress president's lecture**

“Development of human resources for global health at a community-based university”

Chair: Fumie Takagi (Fujisawa Municipal Hospital)

Speaker: Hiroki Hori (34th JAIH congress president, Mie University)

10:20–12:00 **Special symposium 1**

“Research program on the challenges of global health issues by Japan Agency for Medical Research and Development : Generating scientific evidences which contribute to global health.”

Chairs: Hiroyoshi Endo (St. Luke's International University)

Hidechika Akashi (National Center for Global Health and Medicine)

Speakers: Masahiko Noda (Japan Agency for Medical Research and Development)

Kiyosu Taniguchi (National Mie Hospital)

Yugo Shobugawa (Niigata University)

Norito Kawakami (The University of Tokyo)

Atsuro Tsutsumi (Kanazawa University)

13:00–14:10 **Special lecture 1**

“Next Generation of Mucosal Vaccines for the Control of Infectious Diseases”

Chair: Takashi Nakano (Kawasaki Medical School General Medical Center)

Speaker: Hiroshi Kiyono (The University of Tokyo)

14:15–16:05 **Special symposium 2** English Session

“WHO - Global initiative for childhood cancer”

Chairs: Yasuhiro Okamoto (Chair of International Committee, Japan Children's Cancer group, Kagoshima University)

Hiroyuki Shichino (National Center for Global Health and Medicine)

Speakers: Rei Haruyama (National Center for Global Health and Medicine)

Kazuyo Watanabe (Asian Children's Care League)

Mitsue Maru (Konan Women's University)

Mariko Kakazu (NPO Japan Heart)

16:10–18:00 **Symposium 4** English Session

“Education on global health in universities: the views of foreign faculties”

Chairs: Sumiko Ogawa (Meio University)

Hiroyuki Sakurai (Mie University)

Speakers: James Chipeta (University of Zambia, Zambia)

Rodrnick Richard Kisenge (Muhimbili University of Health and allied Sciences, Tanzania)

Charnchai Panthongviriyakul (Khon Kaen University, Thailand)

Yuko Takeda (Juntendo University, Japan)

10:20–10:50 JAIH encouragement award lecture

“Effectiveness of the Maternal and Child Health handbook in Burundi for increasing notification of birth at health facilities and postnatal care uptake”

Chair: Tomohiko Sugishita (Tokyo Women’s Medical University)

Speaker: Kayo Kaneko (Nagoya University)

11:00–12:00 Educational session

“Ethical Review and Research Publication in Global Health: Effectively Publish/Present Your Field Experiences”

Chair: Tomofumi Sone (National Institute of Public Health)

Speakers: Satoko Yanagisawa (Aichi Prefectural University)

Hiroko Miura (National Institute of Public Health)

Kenzo Takahashi (Teikyo University)

12:00–13:00 General assembly meeting (Board of representatives)

13:55–15:55 Symposium 2

“Social determinants of health : Activities for global health in communities”

Chairs: Yuko Takeda (Juntendo University)

Hiroto Tsuchiya (Tokyo Metropolitan Children’s Medical Center)

Speakers: Risa Yamamoto (Juntendo University)

Takashi Sawada (Minatomachi Medical Center)

Midori Nii (Citizen’s Network for Global Activities)

Yuko Takeda (Juntendo University)

16:00–18:00 Symposium 3

“Both Japanese and non-Japanese are inhabitants: Issues of Healthcare in Japan from the viewpoint of non-Japanese.”

(A cooperate symposium of Japanese Society of Travel and Health, International Society of Clinical Medicine and Japan Association of International Health)

Chairs: Miho Ito (Medical Interpreter Network Tokai [MINT])

Yasuhide Nakamura (Konan Women’s University)

Speakers: Takako Wakimoto (Mie University Hospital)

Akemi Esu (Cooperativa de Tradutores do Japão)

Noriko Muramatsu (MEDINT)

Lourdes Rosario Herrera Cadillo (Otemae University)

Rie Ogasawara (Osaka University)

Room 3 (Nursing School Building 3rd lecture room)

9:00–10:55 Symposium 1

“Increased mobility of nursing professionals across borders : Mutual Recognition Arrangements (MRA) for nursing services and its effects”

Chairs: Noriko Fujita (National Center for Global Health and Medicine)
Mayumi Mizutani (Mie University)

Speakers: Junko Yamada, Yasushi Katsuma (Waseda University)
Sadatoshi Matsuoka (National Center for Global Health and Medicine)
Kyoko Koto-Shimada (The University of Tokyo)
Tadashi Yasuda (Kindai University)

11:00–13:00 JAIH student section program 1

“Foreigners in community health care”

Chair: Chiharu Kawasaki (Teikyo University Faculty of Medicine, 3rd-year student)
Speaker: Takashi Sawada (Director of Minatomachi Clinic)

15:00–17:00 JAIH student section program 2

“The role and limitations of midwives -Things to bring out maternal power-”

Chair: Tomoko Morita (Tokyo Women’s Medical University, 3rd-year student)
Speaker: Rieko Fukuzawa (University of Tsukuba Faculty of Medicine Assistant Professor)

17:05–18:00 jaih-s general assembly meeting

Room 4 (Nursing School Building 1st lecture room)

9:20–10:00 Oral session 1 “Foreign Patient Healthcare 1”

Chair: Tsutomu Kitajima (Faculty of Social Sciences, Kyorin University)

O01-1	Medical seeking behaviors of foreigners in Japan: A literature review	Eimi Nakada
O01-2	Investigating the use of interpreters who accompanied Brazilian patients in medical settings.	Hamai Taeko
O01-3	Health Problems and the Modality of Health Support for Foreign Nationals Visiting Japan from Developing Countries from the Perspective of Medical Examinations at External Medical Institutions-Analysis of JICA Tokyo Trainees' Medical Reports to External Medical Institutions-	Yuko Sato
O01-4	Issues and Measures for International Patient Care at National Center for Global Health and Medicine(NCGM) Center Hospital	Yasuo Sugiura

10:00–10:40 Oral session 3 “Maternal and Child Health 1”

Chair: Chizuru Misago (College of Liberal Arts, Tsuda University)

O03-1	Editing a maternal and child health handbook for Russia: Process and challenges	Akira Shibamura
O03-2	Effectiveness of visual nutrition education materials for diet during pregnancy and complementary foods in Guatemala	Miho Nozue

- | | | |
|-------|---|---------------|
| O03-3 | Use of the third country experts from Brazil for seminar on humanized childbirth in the National Women's Hospital of El Salvador | Emi Sasagawa |
| O03-4 | Effectiveness of a confidence-building intervention for breastfeeding among primiparas who had vaginal delivery or C-section in a Baby-Friendly Hospital in the Lao PDR | Keiko Nanishi |

**11:00–12:30 Medecins Sans Frontieres Japan (MSFJ) program
“The role of Innovation in International Humanitarian Aid”**

Speakers: Risako Inoue (Medecins Sans Frontieres Japan)
Takashi Kurumiya (Medecins Sans Frontieres Japan)
Motoi Suzuki (Medecins Sans Frontieres Japan)
Yuko Nakajima (Medecins Sans Frontieres Japan)

13:00–13:50 Oral session 5 “Geriatric Health 1” English Session

Chair: Hitoshi Murakami (Bureau of International Health Cooperation, National Center for Global Health and Medicine)

- | | | |
|-------|--|-------------------|
| O05-1 | Determinants of prehypertension and hypertension among public employees in northern Ethiopia | KM Saif-Ur-Rahman |
| O05-2 | Association between the density of smokers in the family and the prevalence of adolescents' tobacco smoking | Odmaa Ganzorig |
| O05-3 | Association of blood pressure and blood glucose levels with age among middle-age urban dwellers in Bangladesh and Ethiopia | Yupeng He |
| O05-4 | Vegetable, Fruit consumption and Stomach Cancer: a Case-control Study in North Viet Nam | Hong Phuoc Le |
| O05-5 | Helicobacter pylori infection and the risk of stomach cancer | Tran Ngoan Le |

15:00–16:00 Oral session 7 “Community Health”

Chair: Minato Nakazawa (Kobe University Graduate school of Health Sciences)

- | | | |
|-------|--|-----------------|
| O07-1 | Infection control at blood transfusion administration in Myanmar | Haruka Kodoi |
| O07-2 | Knowledge and accepting attitudes to HIV in the Asian Region: A secondary analysis of the Demographic Health Survey | Ikuma Nozaki |
| O07-3 | Health issues among local people living in the rural areas of Cambodia | Akiyo Nonogaki |
| O07-4 | Sustainability of the Safe Motherhood Action Groups (SMAGs) in northern Zambia: Result from the assessment of the Maternal Newborn and Child Health One Stop Service Project | Lisa Asamura |
| O07-5 | Community health promotion in developing countries, adapting experience of Maternal and Child Health Promoters in Japan | Ryoko Koshihara |
| O07-6 | A trial to improve the quality of dialysis treatment in Airlangga University hospital, Indonesia | Daisaku Urabe |

17:00–18:00 Oral session 9 “UHC”

Chair: Yasushi Katsuma (Waseda University Graduate School of Asia-Pacific Studies)

- | | | |
|-------|---|------------------|
| O09-1 | Global Health Diplomacy over Universal Health Coverage (UHC): From the UHC Forum 2017 to the G20 Osaka Summit and the United Nations High-Level Meeting on UHC | Yasushi KATSUMA |

| O09-3 | Present situation of NCD prevalence, diagnosis, control and treatment in Bolikhamxai Province in LAO PDR, and their financial burden under National Health Insurance | Ito Tomoo |
| O09-4 | Challenges of enhancing the supervision of the health insurance associations in the JICA Technical Cooperation Project for Strengthening the Capacities of Community Health Insurance System in Senegal | Jun WATANABE |
| O09-5 | Analysis of medical access for elderly people in Myanmar | Kaori Ohara |
| O09-6 | Experience of PPH capacity building by using Cascading training system in Kalomo District, Republic of Zambia | Yuta Yokobori |

Room 5 (Nursing School Building 2nd lecture room)

9:20–10:00 Oral session 2 “Health Policy 1”

Chair: Atsuko Aoyama (Nagoya University of Arts and Sciences)

- | | | |
|-------|---|-----------------|
| O02-1 | Safe blood transfusion practices at hospitals in Myanmar | Yui Ito |
| O02-2 | Barriers to increasing the use of effective contraception in the Philippines | Mari Nagai |
| O02-3 | A study on the motivation and retention of Myanmar nurses | Tadashi Yasuda |
| O02-4 | Factors influencing the continuous implementation of 5S-KAIZEN-TQM ;Lesson from the progress at Takeo Provincial Hospital in Cambodia | Shikino Kikuchi |

10:00–10:30 Oral session 4 “Education, Human Resource Development 1”

Chair: Hideki Yanamoto (Teikyo University Graduate School of Public Health)

- | | | |
|-------|---|------------------|
| O04-1 | Medical Education for Japanese Medical Students Overseas -An example from the Medical Schools of Hungary- | Soichiro Saeki |
| O04-2 | A New Approach to Promote Cross-Cultural Nursing Education at Kishiwada Medical Association Nursery College | Rie Ogasawara |
| O04-3 | Research Capacity Strengthening in Global Health: Experiences from Cluster Sampling | Masahiko Hachiya |

14:00–14:50 Oral session 6 “Education, Human Resource Development 2”

Chair: Mayumi Ohnishi (Nagasaki University Graduate School of Biomedical Sciences)

- | | | |
|-------|---|------------|
| O06-1 | Exploring the Factors of Effective Implementation of HIV/AIDS Education: The Case of School-based Program in Thailand | Mina Chiba |
|-------|---|------------|

O06-2	Impact Evaluation on Professional Competence for the Interventions to Improve Maternal and Child Health Care in JICA Oruro project, Bolivia	Motoyuki Yuasa
O06-3	A follow-up of the JICA training course "Health Systems Management for Regional and District Health Management Officers (A)"	Koji Kanda
O06-4	A Trial of Health Promotion School in Solomon Islands	Setsuko Hashimoto
O06-5	The effects of reproductive health education using a mobile library for primary school students in rural Tanzania	Yoko Shimpuku

16:00–17:00 Oral session 8 “Maternal and Child Health 2”

Chair: Azusa Iwamoto (Bureau of International Health Cooperation, National Center for Global Health and Medicine)

O08-1	The Importance of the First 1,000 days of Life: A message from 11th International Conference on Maternal and Child Health (MCH) Handbook	Noriko Komatsu

O08-4	Portable Health Clinic to realize the Continuum of Care in Maternal and Child Health	Kimiyo Kikuchi
O08-5	Changing birth experiences of women in rural Bangladesh	Etsuko Matsuoka
O08-6	Association between MCH Handbook use and birth certificate ownership in Burundi	Kayo Kaneko

Poster area (Sansui Hall foyer)

16:00–16:20 Poster session 1 “Health Policy 1”

Chair: Tsutomu Kitajima (Faculty of Social Sciences, Kyorin University)

P1-01	Knowledge and utilization of HIV testing and associated factors among international students at Japanese language schools in Japan	Tsutomu Kitajima
P1-02	Knowledge and Perception towards HIV/AIDS-associated High Risk Behaviors and HIV Testing among Congolese Teenagers: Need to Reinforce STI Prevention Strategies	Ngatu Nlandu
P1-03	Development of human resources for health in post-conflict peacebuilding: case studies of Rwanda and Timor-Leste	Masayo Eguchi
P1-04	Activity at Mongolian national 3rd hospital and future's study in Mongolia	Hiroki Takeuchi

16:20–16:40 Poster session 2 “Community Health”

Chair: Kenzo Takahashi (Teikyo University Graduate School of Public Health)

P2-01	Healthy lifestyle index and its association with hypertension among community adults in Sri Lanka: cross-sectional study	Ami Fukunaga
-------	--	--------------

P2-02	Literature review of the care burden of family caregivers for elderly people with dementia in the East Asian region	Aya Tanaka
P2-03	Capacity building to Community Health Workers in Timor-Leste	Kayono Nakajima
P2-04	Latrine owners showed lower egg positivity rate of <i>Opisthorchis viverrini</i> and <i>Schistosoma mekongi</i> in Lao PDR	Emilie Matsumoto-Takahashi

16:40–17:00 Poster session 3 “Education, Human Resource Development”

Chair: Nanako Tamiya (Faculty of Medicine, University of Tsukuba)

P3-01	Effect and directionality of the training that utilized health human resources development system analysis model "House Model"	Karin Fukatani
P3-02	Perceptions of Hope and Reproductive Health among Primary School Students in Rural Tanzania	Yoko Shimpuku
P3-03	Willingness to solve problems and learning effects among primary school students in rural Tanzania	Yoko Shimpuku
P3-04	Duties of Indonesian nurses and their thoughts about working abroad -Support for nurses under the Economic Partnership Agreements (EPA)-	Nobue Ichikawa

Cafeteria II

18:00–20:00 Banquet

9:00–10:00 Keynote lecture

“Overcoming the ‘average’: highlighting the science of the individual for global health”

Chair: Tomohiko Sugishita (Tokyo Women’s Medical University)

Speaker: Masamine Jimba (President, Japan Association for International Medicine, the University of Tokyo)

10:05–12:00 Special symposium 3

**“Various international activities by community-based health care professionals :
From individual to systematic activities.”**

Chairs: Mariko Sakamoto (Aichi Medical University)

Mitsunaga Narushima (Mie University)

Speakers: Takashi Yamasaki (Non-Profit Organization Japan Tanzania Eye Medical Support Team • Yamasaki
Eye Clinic)

Nagato Natsume (Aichi Gakuin University)

Hiromi Obara (National Center for Global Health and Medicine)

Akio Kubota (Tsukiyama Child Care Clinic)

12:05–13:00 Luncheon seminar

“Company’s social contribution activities in international health”

Chair: Yasuhide Nakamura (President, WHO association of Japan, Konan Women’s University)

Speaker: Yusuke Saraya (President, Saraya Co., Ltd)

14:00–16:00 Special lecture 2 (Public program)

Chairs: Masamine Jimba (President, Japan Association for International Medicine, the University of Tokyo)

Hiroki Hori (34th jaih congress president, Mie University)

**“Past and Recent Development of AlGaN-Based Deep Ultra-Violet Light Emitting Devices
and Their Applications”**

Speaker: Hiroshi Amano (Nagoya University)

“Solar lanterns project for developing countries without electricity”

Speaker: Michiko Ogawa (Panasonic Corporation)

16:20–16:30 Closing ceremony and Awards ceremony

9:00–10:30 Symposium 5

“Global Perspective of Community Healthcare: Human development from the community”

Chairs: Yasuhide Nakamura (Konan Women's University)

Hidemi Toyota (Mie University)

Speakers: Sumana Barua (Seisa University)

Junpei Hasumi (Saku Central Hospital)

Ryouhei Oda (Saku Central Hospital)

Chinatsu Mukaiharu (Shiga Center for Family Medicine)

10:35–12:05 Symposium 7

“Program for poverty reduction and healthcare enhancement in sustainable development goals (SDGs)”

Chair: Kiyoko Ikegami (Nagasaki University)

Speakers: Hitoshi Murakami (National Center for Global Health and Medicine)

Norikazu Hamada, Kenta Soga (Plan International Japan)

Takashi Sawada (Services for Health in Asian & African Regions)

13:00–14:00 Emergency Report Session

“Ebola epidemic in the Democratic Republic of Congo - Special Report II -”

Chair: Kiyosu Taniguchi (National Mie Hospital)

Speaker: Tamotsu Nakasa (National Center for Global Health and Medicine, Japan International Cooperation Agency)

9:00–10:55 Symposium 6

“Nursing Roles and Issues in Encouraging Local Residents' Awareness and Drawing Their Strengths: from Practical Experiences in Developing Countries”

Coordinators: Kumsun Lee (Kansai Medical University)

Akiko Kurotaki (Kyoto Tachibana University)

Junko Miyamoto (Himeji University)

Fusako Takahashi (Kansai Medical University)

Chairs: Kumsun Lee (Kansai Medical University)

Akiko Kurotaki (Kyoto Tachibana University)

Speakers: Sakiko Kanbara (University of Kochi)

Mayumi Mizutani (Mie University)

Shoko Nakasato (Kansai Medical University)

Tadashi Yasuda (Kindai University)

12:00–13:30 Japan International Cooperation Agency (JICA) program

“The career counseling session of the health sector ~International cooperation as work~”

Planning: Japan International Cooperation Agency

Cooperation: National Center for Global Health and Medicine (NCGM)

16:30–18:00 Post-congress open session 3

“Supporting local medical care for foreigners: a case of Mie Prefecture”

Room 4 (Nursing School Building 1st lecture room)

9:00–9:30 Oral session 10 “Foreign Patient Healthcare 2”

Chair: Satoko Yanagizawa (Aichi Prefectural University)

- | | | |
|-------|---|-----------------|
| O10-1 | Length of residence and loss of health advantage in foreign national residents in Japan: The younger, the earlier in length of residence and the more in rate of increase of the loss of health advantage | Eiko Kobori |
| O10-2 | CHILDREN'S MENTAL HEALTH PROBLEMS AMONG FOREIGN RESIDENTS IN MIE, JAPAN | Machi Kakimoto |
| O10-3 | Evaluation of Thai volunteer group efforts for sustainability in Japan | Mineko Yokogawa |

10:00–12:00 JAIH student section program 3

“SDGs× Corporation - promoting healthy community and people-”

Chair: Wataru Yamaguchi (Department of Nursing, School of Health Sciences, University of the Ryukyus)

Speaker: Tomohiko Sugishita (Tokyo Women's Medical University, Department of International Environmental and Tropical Medicine Professor / Chief Director), etc.

13:00–14:00 Oral session 14 “Community/Disaster Health” English Session

Chair: Akiko Matsuyama (College of Liberal Arts, Tsuda University)

- | | | |
|-------|---|-----------------------|
| O14-1 | Impact of Eastern Congo Ebola Outbreak on Child Health Services: Decline of Routine Child Immunization and Need for Vaccine Supplementation | Ngatu R. Nlandu |
| O14-2 | What ignited Community Health Committees (CHCs) to engage in improving maternal and child health (MCH) in rural communities in Sudan? | Kei Yoshidome |
| O14-3 | Perceptions and behaviors related to non-communicable disease risk factors among male Bangladeshi workers in Palau. | Abubakr AA Al-shoaibi |
| O14-4 | Women's Health and Cultural Factors: A Study of Anemia Cases in West Papua, Indonesia | Nova Sumihartini |
| O14-5 | Civil-Military Cooperation Through Pacific Partnership 2019 Vietnam | Hiroki Kyo |
| O14-6 | Factors associated with knowledge of avian influenza and biosecurity practices for backyard poultry among children in Bogor, Indonesia | Aki Suzuki |

9:00–9:40 Oral session 11 “Health Policy 2”

Chair: Motoyuki Yuasa (Faculty of International Liberal Arts, Juntendo University)

- | | | |
|-------|--|---------------|
| O11-1 | Labour reform for field work in international health | Mai Fujii |
| O11-2 | Results Report of the Joint Prehospital Care Basic Training Course for Multiple Prehospital Care Institutions in El Salvador | Kodai Tateno |
| O11-3 | Case study on education of public health nurse after WW2 in Okinawa | Noriko Toyama |
| O11-4 | THE EFFECTIVENESS OF MONITORING BY A DATABASE AND REPORT OF CLNIC OPERATION AT ROHINGYA REFUGEE CAMP IN THE COX BAZAR REGION OF BANGLADESH | Taizo Sakata |

10:00–10:50 Oral session 12 “Maternal and Child Health/Health Policy” English Session

Chair: Reiko Hayashi (National Institute of Population and Social Security Research)

- | | | |
|-------|--|------------------|
| O12-1 | Causes of maternal deaths and their case fatality rates at Princess Christian Maternity Hospital, Free Town, Sierra Leone, from January 2017 to December 2018 | Yuichi Kodaira |
| O12-2 | MCH Handbook as a home-based record option for poor mothers and children in Afghanistan | Keiko Osaki |
| O12-3 | Japan's development assistance for health: a temporal, geographical, and focus-specific evaluation of bilateral and multilateral financial contributions, launching the <i>Japan Tracker</i> | Maaya Kita Sugai |
| O12-4 | A study on the motivation and retention of nurses and midwives in Myanmar | Ohnmar Aung |
| O12-5 | Assessments and treatments for dysphagia patients in southern Thailand
Comparison of the hospitals and future prospects | Aki Takagi |

11:20–12:00 Oral session 13 “Education, Human Resource Development 3”

Chair: Sakiko Kanbara (University of Kochi)

- | | | |
|-------|--|----------------|
| O13-1 | Relationship between midwives and women from the perspective of midwife retention in rural Cambodia | Kimiko Abe |
| O13-2 | Current situation and comparison of school mental health in ASEAN countries | Akihiro Nishio |
| O13-3 | Developing a training package to improve patient services among healthcare professionals in Mongolia | Yu Nanamatsu |
| O13-4 | Effectiveness of the Training of Trainers Course in Mongolia | Nobuaki Inoue |

13:00–14:00 Oral session 15 “Geriatric Health 2”

Chair: Hiroko Miura (National Institute of Public Health)

- | | | |
|-------|---|--------------|
| O15-1 | Factors associated with physical disability in older adults in urban and rural, Myanmar | Yuki Chihara |
|-------|---|--------------|

O15-2	Risk of depression among older people in urban and rural areas in Myanmar	Yuri Sasaki
O15-3	Recognition of social participation in old age among adults in Japan, Taiwan and Thailand	Eri Osawa
O15-4	Current status and characteristics of hypertension in Zambia: A cross-sectional study among rural dwellers using probability proportional to size sampling	Yukiko Tateyama
O15-5	Background of high blood pressure risk: findings from Bhutan-Non Communicable Diseases Risk Factors: STEPS Survey Bhutan 2014	HIROMI SEGAWA
O15-6	Determinants of happiness in older adults in urban and rural, Myanmar	Yugo Shobugawa

16:30–18:00 Post-congress open session 2
“Borderless challenge to the global aging”

Room 6 (Nursing School Building 3F group study room)

16:30–18:00 Post-congress open session 1
“Desired form of international aid”

Poster area (Sansui Hall foyer)

11:00–11:20 Poster session 4 “Health Policy 2”

Chair: Hidechika Akashi (Bureau of International Health Cooperation, National Center for Global Health and Medicine)

P4-01	Applying health insurance scheme to informal sector -Experiences of Japan and other Asian countries-	Hidechika Akashi
P4-02	Field Trip Report - Philippines	Ryuji Yoshino
P4-03	Measuring Health Literacy and Health-related QOL among Japanese Elderly who lives in Thailand	Wataru Ito
P4-04	Establishment of Nutrition System and Standard in Vietnam in collaboration with Japan	Kei Kuriwaki

11:20–11:45 Poster session 5 “Maternal and Child Health”

Chair: Reshad, Khaled (Non Profit Organization Karez Health & Educational Services)

P5-01	Comparison between Urban and Rural Children in NepalBased on the result of measurements of their muscle mass	Hisako Mimura
P5-02	Impact of Women's Empowerment and Domestic Violence on Access to Reproductive Health Services in Cambodia	Mari Honda
P5-03	An activity report on the spread, establishment and quality improvement of the mother education class in Settat Kingdom of Morocco	Chitose Iwasaki

P5-04	Survey on the first visit of the Antenatal Visit at a hospital in Lusaka, Zambia	Kumiko Mori
P5-05	Can the delivery under the management of the professional staff reduce the complications at the rural area?	Khaled Reshad
